for those transactions which are exempt from the provisions of the Act or which have been granted an exempt status by the Secretary, unless the Secretary has specifically authorized the use of multiple Property Reports.

(e) *Initial Statement of Record—when prior approval to submit is required.* In those subdivisions where there is a disparity between the lots already registered and those sought to be registered because of location, terrain, proposed use of the lots or the amenities to be furnished or available, the developer may present a resume of the differences and request the Secretary's permission to file a separate initial Statement of Record for the additional lots. Upon consideration of the facts submitted, the Secretary may allow such a procedure.

(f) *Lots which have been deleted from registration.* Should the developer, for any reason, delete by amendment any registered lots from an effective Statement of Record, those lots must be re-registered by a consolidation and a new effective date issued, before they can be sold or leased. An appropriate fee must accompany the submission.

(g) *Lots sold to individual purchasers.* It is not necessary to delete from the registration those lots which have been sold to individual purchasers for their own use.

§ 1710.45 Suspensions.

(a) *Suspension notice—prior to effective date.* (1) If it appears to the Secretary that a Statement of Record or an amendment is on its face incomplete or inaccurate in any material respect, the Secretary shall so advise the developer, by issuing a suspension notice, within a reasonable time after the filing of such materials but prior to the time the materials would otherwise be effective.

(2) A suspension notice issued pursuant to this subsection shall suspend the effective date of the Statement of Record or the amendment. It shall continue in effect until 30 days, or such earlier date as the Secretary may de-

(b) *Suspension orders—subsequent to effective date.* (1) A notice of proceedings to suspend an effective Statement of Record may be issued to a developer if the Secretary has reasonable grounds to believe that an effective Statement of Record includes an untrue statement of a material fact, or omits a material fact required by the Act or rules and regulations, or omits a material fact which is necessary to make the statements therein not misleading. (2) If the Secretary undertakes an examination of a developer or its records to determine whether a suspension order should be issued, and the developer fails to cooperate with the Secretary or obstructs, or refuses to permit the Secretary to make such examination, the Secretary may issue an order suspending the Statement of Record. Such order shall remain in effect until the developer has complied with the requirements of the order. When the developer has complied with the requirements of the order, the Secretary shall so declare and thereupon the suspension order shall cease to be effective. In accordance with the procedure described in §1720.235, a hearing may be requested.
